

## Accessing Talentlink

Most users should access Talentlink using the Microsoft 365 app, which can be found by clicking on the waffle at the top left page of Eric:

Initially you may need to click on More Apps to see the Talentlink SSO app:

Click on the app and you will automatically be logged into Talentlink. No password is required and there will be no requirement to reset passwords.

If you are unable to log on via the app, please contact [Recruitment@pkc.gov.uk](mailto:Recruitment@pkc.gov.uk) to ensure you have an account set up.

**Please note: Single Sign On is not available when using a generic email account, when using a generic email account to log in please follow the [How To Access and Navigate Talentlink](#) guidance.**
