I refer to the above application and would advise you that the applicant has requested the Perth and Kinross Local Review Body to review the case in terms of Section 43(A)(8)(c) of the Planning Etc (Scotland) Act 2006, as the Appointed Officer has failed to give to the applicant notice of their decision or determination. This application was received by me on 15 January 2026.

I have acknowledged the request and written to all interested parties to ask if they wish to make any further representations in relation to the review of the original decision.

I would be grateful if you would provide me with, as soon as possible, a report on the application which can be put before the Local Review Body. I would also be grateful if you would notify any internal Council consultee whom you consider may wish to know that a review has been requested.

As you are aware, any statutory consultee who submitted representations for this application is included within the definition of “interested parties” and accordingly I shall notify these parties of the requested review. This includes the Council as Roads Authority.

Interested parties have until **12 February 2026** to make representations. The applicant will then be sent a copy of these representations and will then be entitled to make comments on those representations which will also be placed before the Planning Review Body when it considers the review.
