

IMPACT AND VALUE ASSESSMENT

Report Title: Perth and Kinross Integrated Children's Service Plan

Where the Impact & Value Assessment has identified a likely impact in relation to the committee proposal, detailed evidence is provided below.

STRATEGIC IMPLICATIONS

Corporate Plan

Working in partnership with communities? - YES.

Tackling poverty? - YES.

Tackling climate change and supporting sustainable places? - NO.

Developing as resilient, stronger and greener local economy? - YES.

Enabling our children & young people to achieve their full potential? - YES.

Protecting and caring for our most vulnerable people? - YES.

Supporting and promoting physical and mental wellbeing? - YES.

Legal and Governance

Legal implications identified? - YES.

Using statutory measures where required to keep children safe will be a necessary inclusion in this plan of support to families where safety issues emerge and in particular when non compliance in plans is evident.

Governance implications identified? - YES.

this is a shared plan across statutory partners and governance arrangements are required

RESOURCE IMPLICATIONS

Finance

Financial implications identified? - UNSURE.

if people/ families get the support they need , when they need it they will be better able to be part of building a sustainable economy and will be less dependant on services to meet their needs.

Workforce

Workforce implications identified? - NO.

Asset Management

Asset Management implications identified? - NO.

CONSULTATION AND COMMUNICATION

Consultation

Internal or external consultation? - YES.

Internal and external consultation undertaken. shared with the GIRFEC steering group / the Oversight group for the ICSP -- discussion externally with families around need / gaps in services linked with Fairer Futures

Communications

Communications plan? - YES.

we will share across all partners and update website

POLICY CHECKLIST

This report represents a new policy or a change to an existing policy document.

Corporate Risk Assessment

Corporate risk implications identified? - YES.

there may be risks around lack of staff to fulfil the priorities in the plan --creating risks around providing a service to keep children and families safe -- this could become a corporate risk

Equality & Fairness Impact Assessment (EFIA)

Protected equality characteristics impact? - YES.

vulnerable groups should be able to access better localised support

A full EFIA is required (based on likely impacts to protected equality characteristics) and will be undertaken before the report is implemented.

Human Rights impact? - Positive impact only.

the ICSP supports human rights across all areas of need

A full EFIA is required (including details of likely impacts for human rights) and will be undertaken before the report is implemented.

Inequalities of outcome caused by socio-economic disadvantage impact? - Positive impact only.

if a person needs as identified early and support is accessed at the right time, this will promote that persons wellbeing hopefully in all areas. this in turn allows them to become active, responsible members of the community who are able to contribute to the local economy.

A full EFIA is required (including details of likely impacts from inequalities of outcome caused by socio-economic disadvantage) and will be undertaken before the report is implemented.

Inequalities of outcome in relation to Communities of Place or Communities of Interest impact? - Positive impact only.

access to the right support when needed

A full EFIA is required (including details of likely impacts from inequalities of outcome in relation to Communities of Place or Communities of Interest) and will be undertaken before the report is implemented.

Strategic Environmental Assessment (SEA)

This proposal does not qualify for SEA.

Climate Change Impact Assessment

Business, Industry & Supply Chain impact? - NO.

Energy Consumption impact? - NO.

Buildings & Infrastructure impact? - NO.

Land Use & Land-Use Change impact? - NO.

Transport & Connectivity impact? - NO.

Waste & the Circular Economy impact? - NO.

Climate Resilience & Engagement impact? - NO.

Child Rights & Wellbeing Impact Assessment

Impact based on the GIRFEC wellbeing indicators? - YES.

the ICSP will hopefully positively impact all children and their families to be healthier, safe and have access to the support they need when they need it. the support they need may be for a range of health needs, education , mental health , ND and or social. the families in need will be from a range of socioeconomic backgrounds, race, religion and or sexual orientation. the support they access should be to suit their needs.

Sustainable Procurement & Supply Impact Assessment

Resource use and consumption impact? - NO.

Social wellbeing impact? - NO.

Environmental wellbeing impact? - NO.

Economic wellbeing impact? - NO.

Data Protection Impact Assessment (DPIA)

Impact related to personal data/information? - NO.
