

Helpful contacts for private water supply information and improvement

Please note that Perth and Kinross Council have no interest or connection with, and does not endorse, in any form, the companies and businesses on this list. Perth and Kinross Council does not warrant the quality of services provided by any company or business listed and shall not be held liable because of any defects in services provided by them. You should satisfy yourself as to the integrity of any company or business before engaging them to carry out works on your behalf.

This list is not exhaustive and there may be other companies or businesses who supply such services. Any company or business may apply to be added to or removed from this list, by writing to Private Water Team, Perth and Kinross Council, Pullar House, 35 Kinnoull Street, Perth, PH1 5GD or by emailing WaterTeam@pkc.gov.uk. This list will be subject to change.
